Come down to the South Perth Foreshore to relive the good ol' days and take a trip down memory lane with the Perth Nostalgia Festival. Teaming up with the Mends St Carnivale, the Nostalgia Festival is guaranteed to get you swinging!

Whether you love the music, machines or moves of the 50s, the Nostalgia Festival has it all. With live music courtesy of Perth's foremost old school rock and roll band The Zodiacs, and the lively WA Swing Navy Band, these cool cats are sure to get your toes tapping with their swing stylings and rockabilly rumblings. Bring your dancing shoes and join in the amazing dance demonstrations, or bring a picnic and sit back and watch the professionals as they blow you away with their energetic moves!

If it is muscle you are after, look no further than the Vintage Car display. Be in awe of the dazzling parade of chrome and fins of the hot rods and classic cars that will take you back to those much loved Grease lightning days!

There will also be stalls of Nostalgia fashion, so you can relive your trip down memory lane in style!
